September marks the end of my term as president. It's been rather a whirl wind for us! Deborah and I moved to Washington from Texas in our Airstream just two years ago. Prior to that, we had no knowledge of Wally Byam or his Airstream Club. In short order, we learned of the wonders of Airstream travel with like-minded enthusiasts, and in the process, developed wonderful relationships. In fact, the greatest benefit of belonging to this club has been the people. Everyone has their own story and for the most part, their journey in life has been greatly different from ours. What we all seem to have in common is our love of Airstream adventure and in the development of life-long relationships.

I am honored to have served as your President, and I am grateful for the community of Airstreamers. I believe God put us on this earth for relationship--both with Him and those around us. I cherish these relationships and encourage every member to take advantage of rallies and caravans to explore our beautiful state, to meet new people along the way and to learn of their life's journey. It is in the development of these relationships that our lives are given meaning and purpose.

There are still a few opportunities to participate in our club's Airstream rallies before winter arrives. Please review the schedule of events in this and every issue of the Washington Sound and join us in the adventure.

Airstream for Life! Timothy Haley, President

"Live the Airstream Life" 2017 Election & Installation Rally September 8-10, 2017 Harmony Hall

How exciting it was to learn that we have **40 new members since September 1, 2016!** We can't wait to show you how fun it is to "Live the Airstream Life". This rally starts off our year by thanking the outgoing Officers and welcoming the new ones. We invite all members to come show your support and share your ideas for making this Washington Unit a great Airstream traveling club.

Guess what? **The Unit will pay half of the \$20 Rally fee!** Therefore your Rally fee is only \$10. Please return your Rally Coupon (pg. 3) by September 2 to Paula Perryman. Make your reservations for staying at the Washington Land Yacht Harbor RV Park by calling 360-491-3750 and mention you are Airstream club members coming to attend the Election & Installation Rally. Member RV parking with full hook-ups is only \$18 per night.

Thursday the 7th, the outgoing Unit Officers will hold their last Board of Trustees meeting at 7:00 pm at Harmony Hall. You may pick up your rally program and ribbons before or after the meeting. During the

Rally please take a walk down memory lane through the WA Unit History books which will be on display.

Friday will be a fun-filled day, with Breakfast at 8:00 am, and with Rally programs and ribbons available at that time. At 9:30 am we will caravan to Tumwater Falls Park and enjoy the beautiful and historic River Walk. For lunch you can eat there at the Falls Terrace Restaurant (they have a variety of items on their \$10 lunch menu), or you can go to Izzy's Buffet on your way back to the Harbor. Be back at the Hall by 1:30 pm to participate in a Billiards Tournament, Ping Pong Tournament, Mexican Train Dominoes or Cribbage. Happy Hour, Dinner and Bingo will round out the evening, with a campfire, weather permitting.

Saturday's 8:00 am pancake & sausage breakfast will be cooked by Washington Unit Past Presidents (can't wait to see them in aprons!) The Washington Unit Membership Meeting will begin at 9:15 am. Included on the agenda is the election of new officers. The position of 2-year Trustee is a three-way race, so your vote is needed! In addition, WLYH, Inc. will present to the WA Unit (the sole shareholder of WLYH), their annual report of the 2016-2017 fiscal year. Lunch is on your own after the meeting, followed by the ever popular Bean Bag Baseball at 1:30 pm. At 3:30 the Star Award Presentation will acknowledge the 45 members who have earned a set of stars to put on their Airstream for the most recent increment of 5 years of membership in WBCCI. Next comes Happy Hour, Dinner, and at 7:00 the new WA Unit officers will be installed, followed by a reception.

Sunday morning at 9:30 am, a Memorial Worship Service will be held to honor the WA Unit members who have passed away this last year. Brunch will follow the service. (Cont. pg. 2)

Prayer in Congress

Did you know that Congress has prayer every day before they deliberate? In a typical workweek, Monday through Friday, prayer is said every morning in the U. S. Senate and in the U. S. House of Representatives. Each House invites and pays a Christian minister to pray each day for a week that they are in session. Ministers apply for this privilege and they come from every sector of the country. This has been so since the 1st Congress in 1789 some 225 years ago and will continue as long as we are a Christian nation. Such affirms our nation's faith in God as Sovereign Lord of this nation. This honors the historic separation of Church and State as outlined in the 1st Amendment, but not the separation of God and State, which the Founders strongly opposed. In fact, prayer is referred to as "one of the Senate's most enduring traditions" in the official Senate pamphlet "Traditions of the U.S. Senate."

The Chaplain of the United States Senate is chosen to "perform ceremonial, symbolic, and pastoral duties." Responsibilities include opening Senate sessions with a prayer or coordinating the delivery of the prayer by guest chaplains recommended by members of the Senate. It's much the same for the Chaplain of the United States House of Representatives.

How did prayer in Congress begin? Read next month's "Chaplains Corner" for the "rest of the story".
