Greetings Everyone:

I usually start these newsletters on a light note but this time I have a serious item to discuss. It is the duty of Past Presidents to help find potential members for nomination to the BOD WLYH, Inc. Bob Legg is presently responsible for this task and has located several nominees right here in the Harbor (See names on page 4). I feel there are others we have not found. He is looking for people with business knowledge and experience. He also reminded me that living in the Harbor is not a requirement to serve on the BOD. Many of our board members do not live here but they still serve in various positions. We know there is a lot of talent in our Unit. With that said, we have a Unit membership meeting scheduled for May 2<sup>nd</sup> which is during our Pacific Rim Crab Rally at which time the nominees will be presented to the Unit for their recommendation. If you believe you might make a difference please see Bob Legg to have your name and resume presented at the Membership meeting. Here is a chance to help and make a difference. Nominations will also be taken from the floor.

I have just reread the "President's Corner" in the April Blue Beret and I strongly recommend you check it out again. It is a very moving and from the heart article on how **Joe Perryman** feels about Airstream, WBCCI and the Unit. It moved me and I hope you too find it very special. Thank you Joe! Remember International Rally is scheduled for June 26 to July 4 in Farmington, NM and there is still room and time to sign up. For additional reasons to attend, Don Lisius is leading a caravan to International this year and it really sounds exciting. This is his first caravan and he is working hard to make it a great adventure. Sign up, there is still time.

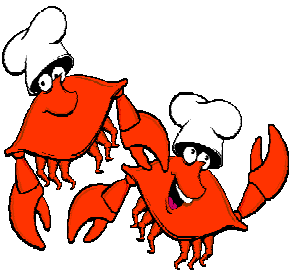

We have a busy Spring ahead of us. We have the **Tri Unit Rally on Whidbey Island** on the 23-26 of April and our ever popular **Crab Feast Rally April 30 to May 3** here at the Harbor. I have seen the menu and it looks fantastic! Our Hosts for this event Norm & Sylvia Bahl have chosen as their charity this year the "Monument of Peace" in the International Peace Garden. They will be offering 2 lunches of hotdog with all the trimmings and a piece of pie for lunch for only \$3.00. That is a buy! We need pie donations for Friday and Saturday. We will have a BOT meeting on the Apr 30 and a Membership Meeting on May 2<sup>nd</sup>. These are important meetings open to **all member even if not attending the rally and I hope you make them.**

On June 6<sup>th</sup> we will have an **Appreciation Dinner**. It's really the Units way of saying THANK YOU to everyone who has supported this unit over the years.

Last month I mentioned that the **Club Store** will be open several times during the Pacific Rim Crab Rally, well now I can tell you to watch for some sales from 10-50% off the normal prices. This is only on existing merchandise but that is still a lot of stuff. See you there. O yes, we will also take special orders.

That is it for now so take care, stay safe and God Bless America!

Larry Alvar, President

**Doll Project**

"Santa's Tailors" have been busy for several months now  
 working on another order for the Christmas Sleigh. Fifty little girls  
 were delighted with 18" dolls and complete wardrobes last year .  
 Five different charities received our bounty: Salvation Army, Safe  
 Place, Crystal Judson Center for Domestic Abuse, St. Vincent  
 de Paul and City Gates. We have been told that our gift is by far  
 the most popular of any of the gifts given to the little girls,  
 "squeals of delight" is the way it has been described. This is  
 all made possible by our membership and friends who support us  
 with money and materials and of course our sewers, knitters and  
 crocheters: Lori Hyde, Jan Frederick, Patti Van Horn, Maureen  
 Isaman, and Myrna Patten. This year we have two new sewers  
 joining us, Lois Hamilton and DeLila King.

If you would like to support this worthy cause a check may be  
 given to the office (tax deductible) or materials, yarn and craft  
 trims may be donated to me for distribution among the sewers.

We can't do this without your support which is very much  
 appreciated.

Maureen Isaman, Chairperson

## My Mother My Angel

Once upon a time an angel held my hand,  
 She wiped away my tears and helped me understand.  
 Our time on earth is brief, there's lessons to be learned,  
 Each precious day God gives us another page is turned.  
 Every chapter full of memories, times of joy and tears,  
 Triumphs and defeats, through every passing year.  
 She loved us unconditionally, always by our side,  
 When no one else would listen, in her we could confide.  
 With gentle words of wisdom she led us on our way,  
 Down the paths of righteousness if ever we did stray.  
 She saw the light in everyone and gave with no regrets,  
 Always from her heart let's not forget.  
 Angels come in many forms, for me it is my mother,  
 With love I cannot say in words there'll never be another.  
 Every day I turn the page in my heart will ever remain,  
 Everything she taught me as I stroll down memory lane.  
 Thank you God for giving me the most priceless treasures,  
 Help my Lord to keep alive her memory here forever.  
 I pray that I can someday be everything she hoped I would,  
 That's she smiling down from heaven knowing she did good.  
 As we gather here today there's no ending to her story,  
 Another chapter has begun full of grace and glory.  
 God's called her to his heavenly home, part of his great plan,  
 Although it may be hard, we all must understand.  
 Faith is what is hoped for, things we cannot see,  
 Heaven is promised to all of us if only we believe.

Mary Lisius, WA Unit Chaplain
