Greetings from soggy Washington. Jan and I just returned from the Tax Filing Rally in Hoodspport, WA. We had 38 attendees with 20 Airstreams in the RV Park. Yes, it rained a lot, but it didn't dampen the enthusiasm of the ralliers. There was plenty to do and people to visit with, plus there were some good meals and a "tax advice seminar" to entertain us on Saturday night. We had several first time rally members at this rally too. They were Justin Trickle, Paul & Judi Tucker and David O'Brien. I wish to thank all those that helped in planning and implementing this rally and to all those who attended. Without you, no rally would be a success.

I want to remind all you Airstreamers that the **Tri-Unit Rally in Oak Harbor** is coming up on April 26-29, so sign up and join us for a fun weekend. This year's **Crab Feed Rally** is being co-sponsored by our Club and the Washington Land Yacht Harbor Corp. It's at the Land Yacht Harbor. Bring your Airstream and join us on the Terraport. Sign up early to get the "early bird" special price. The **Fishing Caravan** immediately follows on May 8-22 with most people leaving on May 7 and staying somewhere between here and Jamison Lake. Talk to either Larry Koeser or Charli and Paul Westerfield if you wish to go along with them. There are still spots available for the full 2 weeks and/or for the 1 week at Lake Curlew.

We now have 7 candidates for 4 BOD positions. They are John Brown, Dan Hockaday, Larry Koeser, Joe Mooney, Rusty Martin, Gerry White and Charlotte Barber. You can read their resumes in this newsletter, meet them at the BOT meeting on May 3 at 7PM in Harmony Hall and then vote for your selections(4) on May 5, 9:30 AM in Harmony Hall. **You DO NOT have to be signed up for the rally to attend the BOT meeting and General Membership meeting**, so be there to meet the candidates and cast your ballot.

We are looking for at least 2 club members who would like to serve on the BOT. One will be a 2 year Trustee position and the other will be the Third Vice President position. From my own experience serving as the 3rd VP up to President, it has been an educational and enjoyable experience. Anyone interested should contact Tim Haley at 210-382-7522 or any Officer in the Club to find out what the duties are.

Now check the rally list and sign up to "live the Airstream life".

Lee Wyman, President, Washington Unit, #1456, 206-419-1726

Washington Unit Alaska Cruise

Time has passed so quickly. Here we are almost at the end of April and many of us have already made our summer plans. Region 10 Rally and the International Rally in Salem, OR are a good start, both will end by the end of June. Twenty-Three of us have signed up to cruise to Alaska on July 8th. We will have time for rest and relaxation as we cruise up the inside passage. We will have several stops to enjoy extra activities and shopping. As we cruise, there are activities to enjoy beautiful scenery and of course, 24 hours of eating. Spread the word and remember to ask your family and friends to join also. Reserve your space soon as the ship is filling up and for those of us already signed up, full payment is due.

There will be a fee for the transportation to Seattle and back to Olympia, but we do not have that information as we are still in the process of finding a reasonable source.

For RV Parking at the Land Yacht Harbor call the Gatehouse at 360-491-3750

Contact Connie Evans at Worldwide Holliday Cruises to reserve your stateroom soon.

2018 Fishing Caravan - Jameson Lake & Curlew Lake (A Buddy Rally) May 8 - 22, 2018 - Hosted by Larry Koeser & Paul & Charli Westerfield

SEE THE COUPON IN THIS NEWSLETTER IF YOU HAVE NOT ALREADY REGISTERED
SEE PREVIOUS NEWSLETTERS FOR DETAILS

Tues May 8 - Tues May 15: Jack's Resort on Jameson Lake
425 Jameson Lake RD, Waterville, WA 98858 (509-683-1095)

Last Monday, Paul & I went to Jameson Lake to check the route and the area. We found that taking I-90 all the way over the Columbia and then cutting off to Ephrata is better than going via Blewett Pass. Much easier when towing and less stressful curvy steep turns. It's roughly 20 miles north from Ephrata to Highway 2, then about 7 more miles on South Jameson Lake RD, which is mostly on well-groomed gravel to Jack's Resort. If there is any last-minute shopping you need to do, Ephrata has a Safeway and most any other type of store you need.

Tues May 15 - Tues May 22: Black Beach Resort on Curlew Lake Republic
848 Black Beach RD, Republic WA 99166 (509-775-3989)

Republic is only about 7 or 8 miles from Black Beach Resort on Curlew Lake. There is shopping and restaurants in Republic, easy to get to when necessary.

Both Lakes are rather remote and there are no cell towers near. Curlew does have good Wi-Fi at the office. What a good opportunity to really take a break from our phones! (Some of us have those high-tech thingies in our motor homes that allow us to make calls even in remote areas!)

Maps, menus, and other info will be provided at the driver's meeting during the Crab Feed Rally. Those not attending the Crab Feed please contact Charli Westerfield so this info can be emailed to you.

Bring your boots in case it's wet at Curlew, and come ready to relax and have a great time!

Where the River Meets the Mountain

WBCCI Region 10 Rally

May 30-June 3, 2018 Hood River, Oregon

As many of you know, the Region 10 Rally, held every other year, is an event you don't want to miss. If you've attended before, you'll look forward to getting together with members of other units in the Region. And if you're a newbie, this is a perfect opportunity to meet people from Alberta, British Columbia, Idaho, Montana, Oregon, Saskatchewan, and Washington that you've never met before. You'll learn about their Airstream adventures, their aspirations for the path ahead, and hear about terrific places to camp that you've never heard of before. I'm guessing you'll meet someone with whom you truly click, a person or couple you will want to seek out in the future.

Explore: the Columbia Gorge, watch windsurfers, Mt. Hood, Maryhill Museum, Maryhill Winery, American Stonehenge, local restaurants & brewpubs, visit tiny shops. One hour to Portland: Rose Garden, factory outlet stores, Powell's Books downtown. An arranged experienced fishing guide will take 5 people out at a time, for a full day, on the Columbia to fish for walleye, or salmon, or whatever is running at the time. Have to miss the morning meetings to go? Oh heavens, that's an easy choice!

Workshops and etc.: work with your Airstream more effectively, find campgrounds more easily, work with your home units to have more productive meetings, and camping seasons, ask dealers about what's coming next, and how to problem solve, drawing class with Lynn Pass, maybe see new models of Airstreams that will cause you to drool and dream.

Meals: brew and brats, baby back ribs, caterer chicken dish, Saturday night dinner cruise on the Columbia Gorge Stern-wheeler, courtesy of Airstream Adventures NW! , just a few of the meals.

Happy hours: SkyMed hosts happy hour one evening so you can find out how to get home if something unforeseen happens; sample wines, brews and spirits.

Entertainment Wednesday, Thursday and Friday nights after dinner (bring dancing shoes)

How to sign up: <http://oregonunit.wbcci.net/region-10-rally-registration/> You'll be directed to the PayPal site, but don't worry if you don't have a PayPal account. Nominees for 2018 WLYH Corporation

Norman Bahl, chairman of the Nominating Committee is pleased to announce the nominees for 2018 Election of Directors for the WLYH Board. See the below resumes. Nominations can also be made from the floor at the May 5th General Meeting.

Dan Hockaday I have lived in at LYH three plus years and have enjoyed everyday. I have helped with LYH clean up in the spring and fall and enjoyed the camaraderie while working with everyone. I enjoy our events at Harmony Hall and try hard to pitch in to help those sponsoring the events. I think that I have a lot to offer the residents and guests that live and use our facilities. I have led and worked on many teams during my working career. I know how to work with and respect other people and their ideas. I am open minded and have a strong sense of responsibility. I am willing to put forth the effort required to make WLYH a place we all can appreciate and look forward to having as our home base.

Larry Kooser I am running for the Board of Directors. I ran a septic tank pumping business for 26 years I would love to be able to serve this community.

John Brown My background includes a 30 year stint in the Air Force, where I served in numerous administrative positions including Supply, Budget, and Operations. I like to think that my forte was in the area of communications. I worked very hard to ensure that ideas were clearly and effectively communicated both up and down the chain, and that changes within the organization were executed with a minimum of strife and hard feelings.

My time on the BOD has been an enlightening experience and I have enjoyed learning the ins and outs of how we as a group react to situations that arise, as well as the process of preparing WLYH for future economic stability. If reelected to the Board of Directors, my goals are as follows:

1. To enhance open communication and visibility of Board actions to residents of LYH. We need to foster an environment where all residents acknowledge that we are all interconnected, and the Board is truly working in the best interest of the Harbor.
2. To pursue courses of action that will position the WLYH for solvency in the future. The greatest organization in the world can't continue to exist if the books don't balance in the long run!
3. To work for increased clarity and consistency in our Policies, Rules and Regulations. Thank you for your consideration.

Joe Mooney Born and raised in Plainfield and Westfield, New Jersey. My mother taught Latin and my father was a lawyer and judge. Colleen and I have two wonderful children-Ryan and Taylor who live in Austin and San Antonio. You may see us out and about trying to corral our 3 little pooches. Colleen was a pre-school teacher for (20) years.

I am a Graduate of the CIA (not that one, the cooking school) in Hyde Park, NY. I originally went to college to play lacrosse but found out I could not major in that once there!

I worked with Hyatt Hotels and spent a decade or so with them as a Director of Catering/Conference Services in New Orleans, Chicago and Indianapolis. I was lured to the mountains of Colorado and worked there for several years in Steamboat Springs and Vail with Sheraton and Orient Express. Colleen and I actually met in New Orleans, we were both trainees together. Then on to San Antonio where we had been for the last 20+ years. I worked at the historic La Mansion del Rio Hotel on The Riverwalk for awhile and then with a local Destination Management company and most recently opened the amazing Hotel Emma created from the old Pearl Brewery. If you ever find yourself in SA, go there-it's incredible.

We decided to stop talking about moving up here and just did it this past summer. If I am elected to the Board, I will do the best job I can. Personally I do think everyone at some point needs to do their part in whatever form or fashion they are able to in a community like this. It makes it that much stronger.

Anthony G.(Gerry) White I am currently retired. I had a 37 year career in the Computing Industry. During that time I ran my own company (A.G. White & Associates). I was directly involved in all aspects of my business including Managing Director, Systems Design, System Generation, Installation, Training, Support and Documentation. I also have retail management experience both before and after my computing career. My focus has always been on providing customer service. During my career I developed negotiating and arbitration skills. I am being considered for the Chairperson position of the Residential Area Committee. Joe Perryman suggested being a member of the BOD would assist me in the performance of the RAC Chairperson duties. I also wish to participate and assist in the ongoing cost effectiveness of WLYH operations for the benefit of both the harbor and its residents.

I have been a WBCCI member since 2002 and a WLYH resident since 2012. Thank you for your consideration.

Rusty Martin My wife Wendy and I have been members for about seven years now. We have lived in the Harbor since 2015. We have been married for 30 years and have 1 daughter and 1 granddaughter.

I have been in Law Enforcement for 28 years now. I work in the city I grew up in and take pride in helping the community. I believe with my experience in Law Enforcement and community work, I can bring this to the LYH community.

Charlotte Ann Jones-Barber Continued on page 6

Nominees Continued from page 5

Charlotte Ann Jones-Barber Although Paul and I have only been living here for one year. I have endeavored to learn as much as possible about the WLYH and have learned that I really care about it and the residents. I have a keen interest in the efficient, profitable and cooperative and cohesive workings of each area.

Most of my work experience has been as an RN in the fields of Intensive Care and surgery, having served as Head Nurse of both an Intensive Care unit and an Open Heart Surgery unit. After retiring from nursing, I began working as a part time church secretary but soon took on the duties of Church Administrator. During that time I instituted new accounting procedures, new Senior programs, began a very professional newsletter which was eventually sent to many areas of the Diocese of Alabama, and other programs. I was very fortunate to have had wonderful people with whom I could work and learn from. This allowed me to accomplish many things.

I have heard from many here in the Harbor about the beginnings of WLYH and the great spirit of cooperation and camaraderie. It is my goal to work on restoring that sense of camaraderie and cooperation that was such an integral part of WLYH. So much has been accomplished by preceding and present Boards, and I wish to build upon maintaining that and helping to further the work already done in the area of finances. I have much to learn, but I am willing and eager to learn and serve.

Amendment No. 1: This will be voted on at the General Membership Meeting May 5, 2018 in Harmony Hall.

Proposed by: International Board of Trustees

Amend the WBCCI Constitution, Article IX, Title: Board of Trustees, Section 5 (page 4) by deleting the entire Section and insert a new Section 5 as follows:

“There shall be three (3) meetings of the Board of Trustees each year. The President may elect to hold one such meeting prior to or during the International Club Rally at which the Board ends its term and the first meeting at which the Board begins its term during or following the International Rally. The third will be held during the first calendar quarter at the discretion of the President. The President may call special meetings of the Board of Trustees upon giving the members thereof ten (10) days prior written notice of the time and place of any such special meeting.”

Report of the WBCCI Constitution and Bylaws Committee

As directed by the WBCCI Constitution, Article XVI, Section 3, this report is submitted by the Constitution and Bylaws Committee.

The Board of Trustees (IBT) at its mid-winter meeting in Sarasota FL voted to send this amendment to the Delegates meeting at the 2018 International Rally in Salem, OR. The intent of the amendment is to allow the current or newly elected President the flexibility to hold the IBT meeting(s) before, during or after the International Rally. The current Constitutional language requires the President to hold the IBT meeting ending his/her term prior to the International Rally. The newly elected President and officers have normally held their first IBT meeting after the Rally. Holding these meeting(s) during the Rally allows maximum participation of the membership in the governing process of the club. It can also address access and cost issues associated with holding the IBT meetings at the rally site.

The Committee in reviewing this amendment sees the value of increasing the flexibility of the outgoing or newly elected President in determining the date of the business meetings of the club as well as increasing the opportunity for participation by the membership.

The Committee strongly recommends that this motion to amend the Constitution be approved.

Tom Smithson, Chairman, WBCCI Constitution and Bylaws Committee

Plant a Garden

Plant three rows of peas:
Peace of mind
Peace of heart
Peace of soul

Plant four rows of squash:
Squash gossip
Squash indifference
Squash grumbling
Squash selfishness

Plant four rows of lettuce:
Lettuce be faithful
Lettuce be kind
Lettuce be obedient
Lettuce really love one another.

You will have no garden without turnips:
Turn-up for meetings
Turn-up for service
Turn-up to help one another

Water freely with patience and cultivate with love.
There is much fruit in your garden
Because you reap what you sow

To conclude our garden, we must have thyme:
Thyme for God - Thyme for study
Thyme for prayer

Community Service reminders

Please remember to clip **Box Tops for Education**, for Nisqually Middle School, located at Steilacoom and Marvin Rd. Put them in the container on the cabinet in the foyer of Harmony Hall, call me to pick them up (please leave a message if I don't answer), or send them to our home. Some products to look for labels on are Reynolds, Annie's, Ziploc, Green Giant, Pillsbury, Lysol, Progresso soups and many more.

I will also be happy to collect **Tyson Project A+** labels. They have a program to collect their labels (worth 24¢ each) to support Meadows Elementary School.

We are still collecting pull tabs to take to International in Salem from the Washington Unit. There's a wooden container in the foyer on the cabinet under community service on the bulletin board.

Thank you for your support.
